Partnership for Human Rights

Dear President Lukashenka,

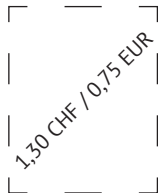

According to our information, six people are imprisoned for political reasons in Belarus at the moment. Holding political prisoners and the persecution of dissidents are serious human rights violations.

Belarus is obligated to guarantee the right to a fair and impartial trial to all citizens and must also guarantee this right while the persons on the list above are on trial.

We would like to remind you of the international obligations of Belarus and urge you to ensure the human rights to freedom of expression, assembly and association to all people in Belarus.

We urge you to release all political prisoners in Belarus immediately and unconditionally!

Yours sincerely,

**President of the Republic of Belarus
